You have to go into System Preferences and Display and Make Sure the Check Box is Marked

From an iPad

From the Bottom, swipe up, click on Airplay, and then click which device. (Mine might look different as its IOS 10)

Airdrop

From a Mac

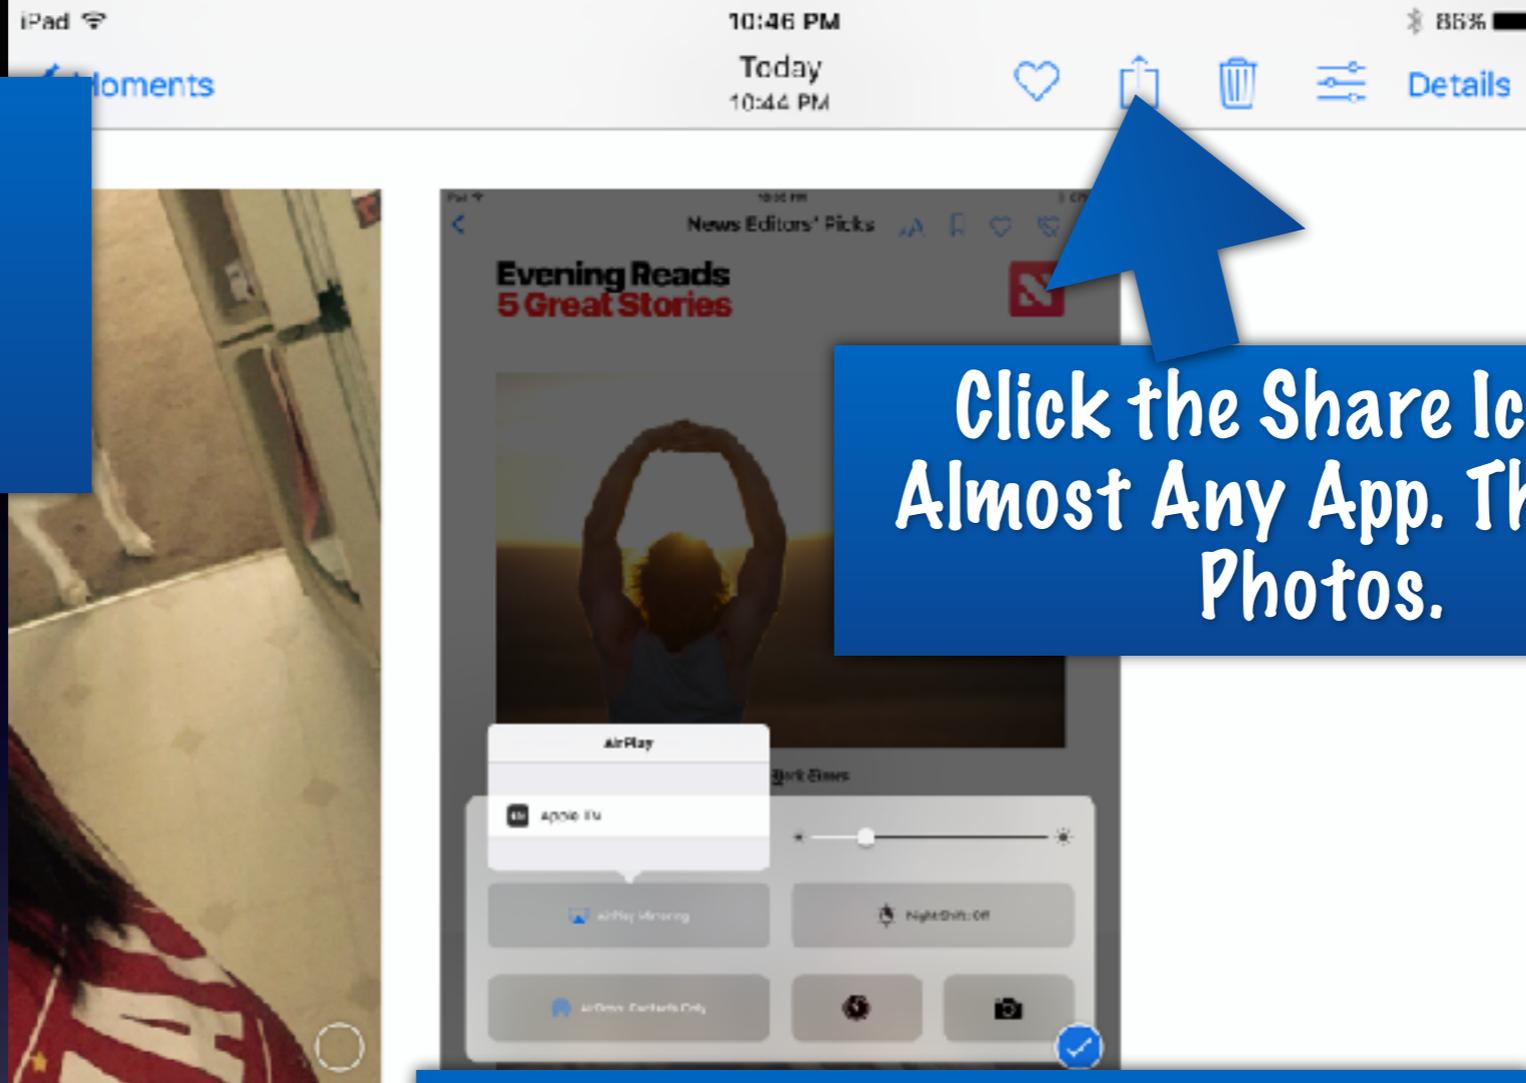

Drag the File to the Icon

Click on Airdrop in the Finder

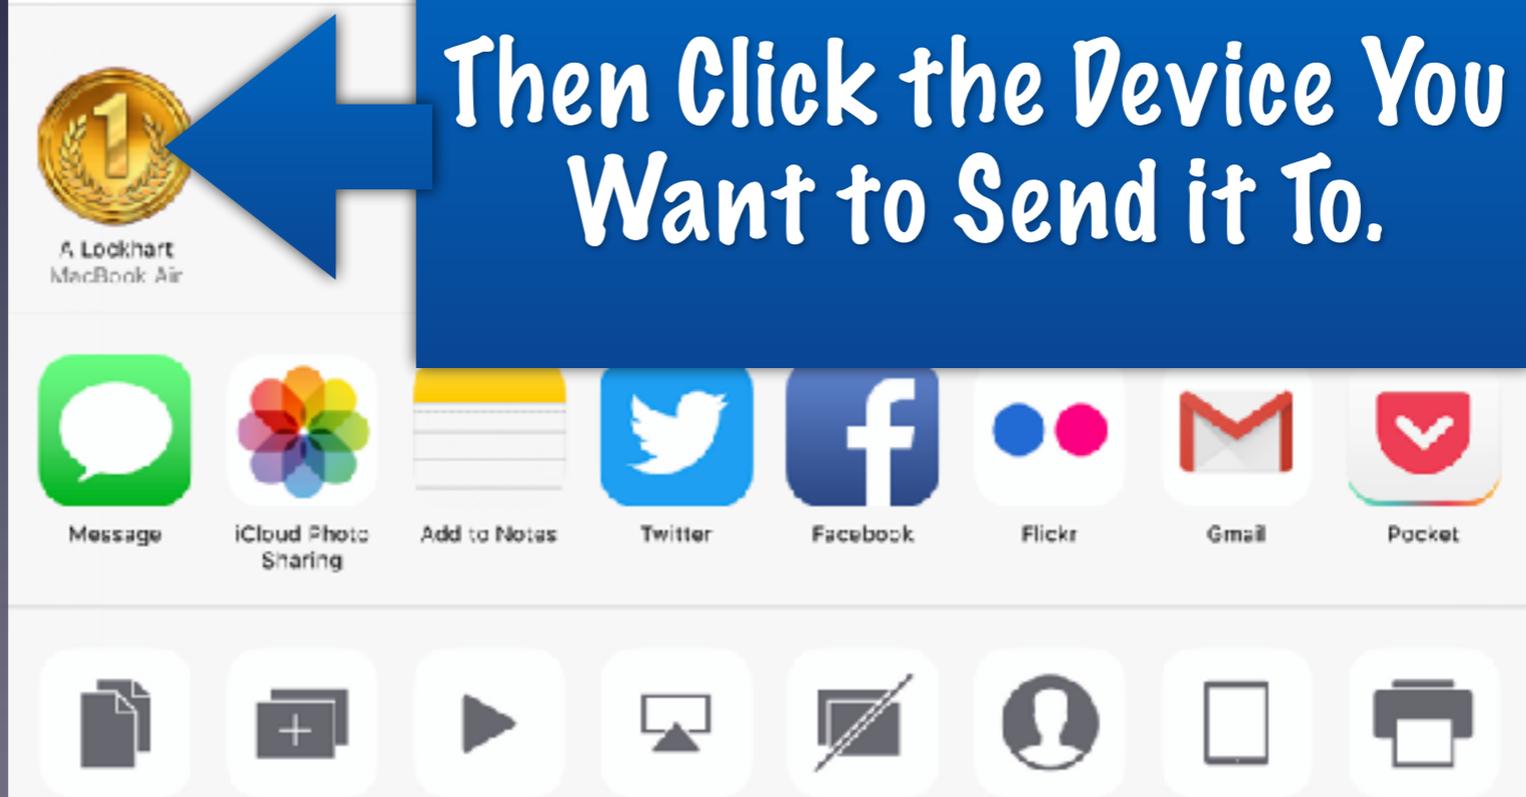

Make sure you are on same WIFI network!!!

On Ipad

Click the Share Icon in Almost Any App. This is in Photos.

Then Click the Device You Want to Send it To.

Imovie

Click to Start New Move

Click Projects

Movie

Combine videos, photos, and music to make your own movie.

Trailer

Follow a template to create a Hollywood style movie trailer.

Two Options: Trailer or Movie
